## PRESIDENTS MESSAGE

Dear Fellow Members;

I've just returned from doing the Watchung Hills Coin Club coin show and I can happily say the collector is alive and well. The coin dealers who specialize in the investment type and plastic slabs seemed to be depressed. I feel the collector has and always will be the backbone of numismatics and this is especially true where tokens and medals are concerned.

Looking forward to our June meeting where we'll have an election of all our officers. I do sincerely hope we can get some nominations. Al Zaika, Herb Weiss and myself have been carrying the full load and we need an infusion of energy in the form of a full slate of nominees. Let's have a election with choices. If you have a little free time and an interest in exonumia, believe me, you are officer material.

We are still in the planning stages for a New Jersey Token book, if you have any ideas, suggestions or can help, please let Al, Herb, or myself know.

We're giving our mail bid auction its' birth with this issue. Give it a try and cash in some of your own duplicates. With support this can become a terrific member benefit. It's up to all of us to make it work! The Civil War Token Society has had a good auction for years. We can too!

Regards to all

Pete

#### FINAL DUES NOTICE

Several members still haven't paid their 1989 dues, only \$6.00. With our new listing of New Jersey tokens this would be a poor time to drop your membership but if a XX appears in this box \_\_\_\_\_ this will be your last "Jerseyana" \_\_\_\_\_

---

Thanks to member Dave Wilson we are enclosing a New Brunswick Bank post card with this issue. Daves' coin ad is attached but the tape the easy removed type so you can remove it with no effort. Dave usually has a table at most of the New Jersey coin shows and always has tokens or New Jersey currency for sale.

#### EDITORS NOTES

I don't have lot of room to write much here. This is the largest issue I have had to prepare since taking over as editor. I'll never be able to handle the New York Times. I have some articles for future issues but please keep sending them. I will list new members and any change of addresses in the next issue, be sure to notify me when you move, at \$6.00 per year we can't afford to remail your "Jerseyana's" if your address changes. If I don't get the officer addresses in the next were in the last issue and will be in the next. Question? Why don't more New Jersey members use our classified ads? Check this issue, most of the ads are from our out of state members.  
NEXT DEADLINE FOR ADS AND ARTICLES IS APRIL 1st.

## PRESIDENTS MESSAGE

Hey! Is anyone out there? Does anyone care? If you're there and care please listen up. We need help! We need nominations! If you care it really doesn't take much time. If you care you can nominate yourself. We will have the election at our June meeting. We need some fresh officer blood. We are taking nominations for: President, Vice President, Secretary, and Treasurer.

Please send any and all nominations to our Editor, Herb Weiss at P.O.Box 363, Cranford, N.J. 07016. Herb is also our Secretary & Treasurer currently. If he can do three jobs don't you think YOU can handle one.

I know I'm nagging but please NOW is the time to do something for your Exonumia Society. If we can't get new blood we'll die of old age and we're not even ten years old. See you at Cherry Hill.

Regards to all

Pete

ps I don't want to step on toes, however when writing for information to any dealer, publication or fellow members always enclose a S.A.S.E. as a courtesy. If you have written to me in the past and didn't receive a reply you didn't enclose a stamp.

## JUNE MEETING

Our annual meeting will be Saturday June 24, 1989, at the GSNA Coin Convention at the Hyatt Hotel in Cherry Hill. Time and room will be posted at the Hotel. The time is usually about 1PM. Our guest speaker will be George Skic, our avid Edison collector who is preparing all new fresh material for us. Much more will be happening at the meeting includeing door prizes and exonumia tradeing and selling by members. Bring your duplicates and be sure to attend. I have been told the charge card collectors will also be there again this year.

---

## EDITORS NOTES

# THE SOMERSET HOTEL of GARFIELD, N.J.

by Herbert Weiss

Recently I received a note from member Charles Lotcpeich asking if I knew about tokens issued by the Somerset Hotel of Garfield. I checked the old TAMS listings and only found a Windsor Castle trade token listed for Garfield. In questioning Mr. Lotcpeich he has given me the following information

Charles and his father Karl owned the Somerset Hotel from 1924 to 1976 when it burned down. The following are excerpts from his letter to me.

About 1933 or 1934 these tokens were first used for the price of a drink over the bar. The patrons who played on a 'Q-Ball' table or huffleboard and felt they could not drink anymore would buy the token from the bar and give it to the winner, who in return would use them for their intended purpose, to purchase a drink or whatever he wanted, sandwiches, drinks, etc. Prices at that time were; 10¢ beer 25¢, Scotch 30¢, 14 oz. beer 10¢, sandwich 25¢. We, father and I were bartenders. Me, Charles, during the day from 6AM to 6PM, my father Karl from 6PM till closing, 3AM or later, depending on the customers. These tokens had a life span of 15 years or more."

Charles has donated his last tokens, 42 10¢ and 14 5¢ tokens to us for fund raising purposes. He notes the 5¢ tokens are scarce because of use in the Jukebox.

I don't know how many members will want a set of these tokens but we will offer them on a first come first served basis as follows. The 10¢ token for \$4.00 and the 5¢ token for \$8.00 plus a S.A.S.E. with your order. Make your check out to NEW JERSEY EXONUMIA SOCIETY and send it to me at Box 363, Cranford, N.J. 07016. If you would like more than one of each token let me know and after a 2-3-week period any are still unsold I will advise you and you can send another check.

Thanks to Charles we have identified two more New Jersey maverick trade checks.

Thanks also to Howard Lanza who supplied the Hotel advertisement from the Garfield Guardian of February 5, 1937.

## ANNUAL MEETING

BE SURE TO ATTEND OUR ANNUAL MEETING ON SATURDAY JUNE 24, 1989 AT  
THE CHERRY HILL HYATT HOTEL AND GEORGE SKIC WILL ENTERTAIN AND EDUCATE  
YOU WITH HIS PRESENTATION ON THOMAS EDISON AND RELATED COLLECTABLES

## PRESIDENTS MESSAGE

I hope to see another successful meeting June 24th at the Cherry Hill Hyatt.

George Skic, our own N.J. Edison expert is preparing a Presentation for us, it should be fun and informative. Al Zaika has said the charge token collectors will also be at the meeting again this year.

On a personal note, my wife is expecting on July 4th. This is the start of my second family. I also have 20 and 14 year old sons. My new family and old job (real estate) are going to consume even more of my time. What I am getting at is I've served the N.J.E.S. for four years, two as V.P. and two as President, its now time for someone who has more free time. I'll be ready again in 15 or 20 year

Let's have some new blood come forward. It is really fun and easy, try it, you'll like it. I'll be around to help and advise if and when needed.

Thanks for your support and help. I wish my successor all the best. Good luck to all and may God bless each and every one of you.

Love & Regards  
Pete

## ANNUAL MEETING

For our new members and a reminder to our old ones, our annual meeting will be held at the Cherry Hill Hyatt, Route 70 across from the Garden State Racetrack on Saturday June 24th, the room and exact time will be on the signboard outside the Garden State Coin show. Our time is usually 1PM. Members are encouraged to bring material to trade or sell. We will have door prizes and our 50-50 drawing. This will be an important meeting to elect our leadership for the next two years. Please plan to attend.

---

## EDITORS NOTES

I am continueing the listing of N.J. trade tokens, the general rules of listing were on page 455 of the Jan-Feb. issue. As is obvious I am keeping these pages separate from the regular Jerseyana pages so they can be removed and kept as a list. When this project is finished this should be a good start toward a book on N.J. tokens. If you have any corrections for the A or B listings please let me know. At our annual meeting I am going to suggest we raise our dues from \$6.00 for six issues so we can have more pages in Jerseyana. With postage 25¢, 75¢ is not enough to cover the cost of printing this issue, we are loseing money with every issue of Jerseyana. Let's have a big turnout at Cherry Hill, both to hear George Skic and to chart our next two years.

## PRESIDENTS REPORT

We will not have a Presidents report this month but Pete has advised me his wife Rita has presented him with a new son, THOMAS FIELD HOGABOOM, born June 28, 1989.

Best Wishes to the Hogabooms

---

## ANNUAL MEETING

Our annual meeting was held in June at the GSNA coin show in Cherry Hill.

In the absence of Pete Hogaboom, Vice President Al Zaika presided. Thirty members and guests were present.

George Skic was elected Vice-President, Pete Hogaboom and Herbert Weiss will continue as President and Secretary Treasurer.

In order to hold our annual dues at \$6.00 it was decided to publish JERSEYANA 4 times per year instead of the current six. Al Zaika will take over as editor beginning with the first issue of 1990.

George Joynson won our 1988 Literary award.

After our door prizes were given out, Bruce Painter won the 50-50 drawing, I believe for the third time!

George Skic presented a very informative illustrated talk on Thomas Edison.

After our meeting, the Charge Coin collectors held their meeting with displays of Charge Coins being shown.

SOME UNLISTED CIVIL WAR MERCHANT SCRIP

by David D. Gladfelter

Collectors of U.S. Civil War emergency money will hardly ever find a metal token issued by an unlisted merchant anymore. The Civil War token field has been so thoroughly studied that new merchant discoveries are indeed rare. Not so, however, with some of the less popular forms of Civil War emergency money such as postage stamp envelopes, cardboard chits, and fractional merchant scrip. Unlisted merchant scrip, in particular, seems to be fairly available. Illustrated here (enlarged) are three examples not in George W. Wait's book that I picked up recently at the same show.

The Burlington County piece is the better of two specimens that were on the floor that day.

The Burlington note is signed by the merchant, Thomas B. Woolman, in red and also has his stamp, in blue-green ink, on the reverse. The stamp has a patriotic theme with a spread eagle above, a 13 star design below and "T.B.Woolman. Dry Goods/65 High St. Burlington, N.J." in the center. The Stamp is faint and may not show up well in the photocopy.

PERTH AMBOY  
**DEPOSIT BANK**  
 OF PERTH AMBOY  
 NOVEMBER 1<sup>st</sup> 1862.  
 Pay to the bearer  
**TWENTY FIVE CENTS**  
 When presented in sums of one Dollar.  
 No. 24 J. Whitney

The D. Whitney note from Perth Amboy is identical with Wait 1996 J.W.Manning, but for the signature.

10 ORDER No. 87 Bordentown, Nov 6 1862 10  
 Pay THOMAS COOK, or Bearer,  
**TEN CENTS**  
 When presented in Sums of One or more Dollars  
 at my Store  
 Samuel E. Burr  
 Duross Bros., Prs. Phila.

Thomas Cook

The Bordentown note is particularly interesting because it has an unlisted printer's imprint, "Duross Bros., Prs. Phila." The merchant, Samuel E. Burr is listed as the issuer of Wait 105 and 106, but on this note he has signed as agent for someone else. The payee's signature, Thomas T. Cook, is endorsed across the reverse, thus making the note bearer paper. The design include the "Rally Round The Flag" theme (on the right), a patriotic sentiment of the day also occurring on a Civil War token.

At this show was a specimen of Wait 115, unknown issuer of Bordentown, signed by John Williams & Bro., which I report. Since I work in Bordentown, I hope to find some information on Burr, Cook, And Williams.

Editors Note, for our new members not acquainted with the George Wait book on New Jersey Paper Money, it was Published by the Newark Museum, and I believe they have some copies available. If interested you might contact the Museum.

## THE ROEBLING INN

By Al Zaike

After many unsuccessful attempts, I have finally attributed the following token;

ROEBLING/15/INN. Incused, uniface, brass, 24 mm, holed at 12 O'clock.

Using knowledge of the John A. Roebling Sons Co. plants that were located in Roebling and Trenton, N.J., I checked various business directories, but couldn't find a Roebling Inn listed in either location. A 1921 Dun listed John Stone as proprietor of a hotel in Roebling, but I dismissed this as irrelevant, (what a boner, read on).

Last summer I acquired a pamphlet issued by the Roebling Historical Society, detailing the history of Roebling, N.J., including the following information;

On June 25, 1904, Charles G. Roebling, (John's third son), purchased a 115 acre peach and potato farm from Jacob Hoffner for \$17,000. This was to be the site of a new steel mill and wire rope plant and company town to be called Roebling. The Roebling Inn was the first permanent building constructed and was initially used to house the workers who were building the plant and town. Room and board at the Inn was \$2.00 per week. In 1910, the Roeblings hired John W. Stone to manage the Inn, which now had the addition of a bar. He sold quality whiskey and bottled his own beer from taps in the cellar. The Inn was most likely sold to Mr. Stone a few years later, since the 1921 Dun shows him to be the proprietor. Henceforth, the Inn was referred to as Stony's Inn, although it still kept its original name. At one time, there were also two bowling alleys in the basement. The building that housed the Inn, a three story ediface, located on Riverside Ave., between 3rd and 4th Sts. still remains standing. As for the token, it was probably a room key tag and others with different numbers could exist.

The once great Roebling plant has been idle for several years. It was sold to the Colorado Fuel and Iron Co. and in the 1950's sold again to an independent company who operated a small section of the plant for a short period, before abandoning it. The plant is on the New Jersey listing of hazardous waste sites, a sad ending to a historical, industrial era.

THE NEW JERSEY EXONUMIA SOCIETY  
OFFICIAL PUBLICATION

# JERSEYana

## PRESIDENTS MESSAGE

Dear Members,

I'am writing this two weeks before Christmas. As we approach the New Year we tend to wind down. Our Society seems to have done the same in '89. We didn't have our meeting at the Ocean County Coin Club because almost no one showed up in '88.

We're off our schedule for JERSEYANA and the communications between the editor and officers is getting weaker.

Let's make 1990 a re-start year. I'd like to start a donation auction at our annual meeting. I'll explain more in my next message. Keep your duplicates ready to help us fund our project of cataloging New Jersey tokens by town.

I want to thank George Skic for coming aboard as Vice-President. I've asked George to do something which should help the society. If He is successful you will hear and see it in Cherry Hill at our annual meeting.

My best to all

Pete

---

## EDITORS NOTES

It is apparent from the lateness of this mailing that I have been the editor of JERSEYANA for six months too long. The expansion of the company I work for has had me working in Indiana, only getting home on 4 weekends since July. This will be changeing soon, but, with the next issue of JERSEYANA, Al Zaika will take over as Editor. Al's address is listed at the end of the classified section. Please send Al all future articles and ads.

In my years as editor my main problem was not being able to fill these pages with interesting information. This will be Al's problem also. We all must contribute to JERSEYANA. You are all collectors and collectors are proud of their collections, tell us about it.

Thanks to everyone who made this job easier and I do apologize for the recent problems with JERSEYANA.

HW

## 1990 DUES

I will continue as Secretary Treasurer and it is now time for 1990 Dues payment. The Dues are still only \$6.00 per year. Please make your checks payable to NEW JERSEY EXONUMIA SOCIETY and not to me. I am enclosing an envelope for members to pay your dues. If you don't receive an envelope, no payment is necessary. New Membership cards will be mailed with the next issue of JERSEYANA.

# A "GOOD FOR" PINBACK BUTTON

BY AL ZAIKA

Among the various types of "good fors", the pinback button type is apparently the scarcest of them all. The following specimen is the only one I have seen in over 25 years of collecting exnumia.

Find the boy/or girl with a number/the same as yours and bring/him/her to our Store/and/64/each of you will receive One/Dollars Worth of Merchandise from/Munger & long/Camdem, N.J."

White and black printing on a red background, 38mm, celluloid covered.

It is likely that hundreds of these buttons were issued, but no more than a handful had matching numbers, thus limiting the stores largess to just a few lucky recipients.

The 1914 business directory lists Munger & Long as a dry goods concern, but later directories show them as a department store. They closed down during the early 1930's, one of many stores that expired during the depression years.

I would be pleased to hear about any other "good for" pinbacks, don't have to be N.J. issues.

WITH THE TREMENDOUS GAMING SUCCESS SINCE LEGALIZED CASINO GAMBLING WAS AUTHORIZED BY NEW JERSEY'S VOTERS IN 1976, SEVERAL OF ATLANTIC CITY'S MOST LUXURIOUS CASINOS HAVE INTRODUCED HIGHER STAKES WAGERS ON THEIR "ONE ARMED BANDITS". AIMED AT THE TRULY FABLED "HIGH ROLLER", WHENEVER SUCH A PLAYER BEGINS TO DROP TOKENS INTO THESE HIGH STAKES MACHINES, CROWDS BEGIN TO DEVELOP ON THE SIDELINES TO WATCH THE EXCITEMENT BUILD THAT ONLY THREE SEVENS OR THREE CHERRIES CAN BRING TO THE CASINO FLOOR.
